INTERPRETER SERVICES

We want our provider directory to be helpful. If you need an interpreter or this directory in large print or an alternate format give us a call. Customer Service can help with these services – at no cost to you. Our staff can be reached at 503-644-2663. Or Toll Free 1-888-350-0966/TTY 711. Office hours are Monday through Friday from 9:00 AM to 5:00 PM. You can also let your dentist know if you need an interpreter for your appointment – they will reach out to us to arrange one. Again, this is a service that is at no cost to you.

MORE INFORMATION ON PROVIDERS

Sometimes you might want a little more information about a provider or clinic than what is included in the directory. We have a searchable provider directory that includes more information. Please go to www.familydentalcareinc.com and select “Clinics” on the top menu bar. You can search for a provider by various information: location, language spoken, ADA accessibility. We list information such as whether the clinic has an ADA bathroom, disabled parking, wheelchair ramp. Customer Service can also help if you want to know this information without needing to access our searchable provider directory.
